

Waterfalls

Sri Lanka, in comparison to its size, has the largest number of waterfalls of any country in the world, listing over 465 waterfalls. Ella has 25 large waterfalls which are in the jungle and by the road, many cascading down into rocky pools, some of which you can swim in.

The Diyulama waterfall is about an hour out of Ella and is the 2nd highest in Sri Lanka while Bopath and Mapanana waterfalls are thought to be the most beautiful in Sri Lanka.

Ravana ranks as one of the widest falls in the country. Ravana Ella Cave has evidence of human habitation dating back to 25,000 years.
